# Classic Portugal Hiking Discovery Tour

April 15-25, 2024

W/OPTIONAL extension to  
Andorra for hiking! April 25-May 1

Lisbon - Sintra – Setubal – Lagos - Lisbon

Next to other European destinations, Portugal is less known yet holds amazing treasures for the discerning traveler! A historical powerhouse for navigational dominance and European world expansion, Portugal has some of the richest architecture from this period including a vast array of geographical delights and of course a fantastic gastronomy and some pretty tasty wines! For the hiker, Portugal may not possess high mountains yet it offers spectacular coastal landscapes and sun swept hill ranges, medieval villages and of course delightful nature reserves – there is much to discover here. **Bemvenido!** We welcome you on our exploratory hiking tour of Portugal's finest highlights.

### Tour Features & Highlights

This hiking tour comprises 10 Nights in 4 hotel destinations. To suit the spring climate and season of travel, we make visits to the central and south regions of Portugal. We offer guide-led hikes and cultural visits throughout – including wine tasting opportunities and a special focus on authentic local dishes, crafts and all things Portuguese! Expect lush flora and fauna – particularly local seasonal flowers, indigenous and non-native plants, birds and marine life. The daily hikes are suitable for anyone who can be on their feet 4-5 hours a day over gentle to moderate terrain. A private bus is also used for our trail head

transfers and cultural visits and where applicable, easier day options can be offered.

## ITINERARY

### Day 1, April 15 – Arrival to Lisbon, Portugal

Welcome to Lisbon! Airport transfers are not included and there are easy and affordable bus, train and taxi options to the group hotel.

The Gulbenkian Museum is also a very good option for today. Hotel TBA (4 stars), within the city's historic quarter. Tonight a welcome dinner of tasty local gastronomy is included and an opportunity to meet our fellow travellers and trip guides!

## Trip Extension: Principality of Andorra

### 6 night / 5 day Hiking Tour

April 25 to May 1, 2024

The Principality of Andorra is a small, landlocked, independent co-principality of the EU. It's situated among the southern peaks of the Pyrenees Mountains and bound by France to the north and east and Spain to the south and west. It is one of the smallest states in Europe and the energetic capital is Andorra la Vella.

With a population of only 82,000, this Catalan (northern Spanish) language-speaking principality boasts some of the most beautiful natural spaces in Europe. For this reason, it attracts adventure seekers year-round – primarily for skiing (alpine & cross country), hiking, biking and climbing. These mountains are not high by Pyrenean standards, they are all under 10,000 feet. Most offer charming grassy ridge walks, and an opportunity to traverse from valley to valley in long outings. In spring and early summer there is a profusion of alpine plants that swamp the valleys and clothe hillsides in a kaleidoscope of color.

Our tour offers 5 days of hiking and 6 nights in a comfortable hotel base in Andorra's modern and well-appointed capital of Andorra la Vella. Choice of daily hikes will be dependent on weather conditions, trail conditions, advice of local information and ability of group.

### Cancellation Policy:

Your cancellation may not raise the cost to the other participants. The published minimum penalty schedule is:

\$200 Before Sept 1, 2023

\$725 Sept 1-Oct 31, 2023

\$1445 Nov 1-Dec 31, 2023

\$2070 Jan 1- Mar 14, 2023

If actual costs (expenses already incurred on your behalf and any unavoidable future expenses that will be incurred as a result of your registration and cancellation) are higher, they will be assessed instead, unless they can be applied toward another acceptable participant. Should we be able to replace you, you may be charged a reduced or zero penalty. This will generally not be determined until after the trip has been completed.

### Application process or how to apply:

To apply, you must complete and submit the Participant Application, Confidential Health Questionnaire, and Acknowledgement and Assumption of Risk and Release form, enclosing a registration deposit of \$1000 (plus single supplement if requesting a single room). You will be considered qualified for the trip when the leaders have determined by conversation with you that you and the trip seem to be a good match. You will be formally accepted, and your check will be deposited.

Deposit checks from wait-listed applicants will not be cashed until we offer them a spot on the trip AND they accept.
